To All Glen of Pacific Grove HOA Owners and Residents:

This is to notify you of a change in management of our homeowners association. Effective January 1, 2018, we will be managed by a local company, Regency Management Group. They will communicate with you shortly regarding the best way to communicate with them and how your dues will be paid. In the meantime, should you have questions, please feel free to ask a member of the board.

Thank you.

Stephanie Lee

The Glen of PG HOA President
